

All My Sons

One afternoon in the Keller's
back yard:

Kate: Annie, where did you get
that dress?

Ann: I couldn't resist. I'm
taking it right off before
I ruin it.

Kate: It's simply gorgeous.

Frank: Annie, you're more
womanly; you've ma-
tured, you're—you look
wonderful!

Joe: Frank, you're a married
man!

What's all the fuss about?

A new dress from the
Lyons Shop, of course.
If you want to be the center
of attention,

shop the Lyons Shop.

But don't worry about
ruining a dress from the
Lyons Shop—it will last as
long as *All My Sons* has.

Joseph Heller

A novel

Good as Gold

Uniquely Heller. Fascinating, funny, infuriating, savage, and totally true. *GOOD AS GOLD* is not only destined to join Joseph Heller's previous works as a major American classic, it surpasses them in wisdom, skill, and hilarity, and ranks as his supreme work.

In *GOOD AS GOLD*, Joseph Heller does for the White House what he did for the military in *CATCH-22*. Brilliantly, he captures the fractured logic of the Potomac with an absurd and moving accuracy.
