The Night of January 16th

could easily be repeated on any night except perhaps when the glare and graciousness of an Eastern sky permitted no grandeur. Certainly business reputations are murdered all the time by unfair competition, and by petty and jealous backseat drivers without even a learner's permit. Religious philosophy teaches us to anticipate all kinds of unfair judgments, and we have never been disappointed by their failure to arrive. To those who question whether there is any merit in THE COLLEGE INN, we answer, come and see.
