On Oscar Wilde's The Importance of Being Earnest

"Wilde calls *The Importance of Being Earnest* a 'trivial comedy for serious people' meaning, in the first place, a comedy which will be thought negligible for the earnest and, in the second, a comedy of surface for connoisseurs. The latter will perceive that Wilde is as much a moralist as Bernard Shaw but that, instead of presenting the problems of modern society directly, he flits around them, teasing them, declining to grapple with them. His wit is a searchlight into the darkness of modern life. It is a flickering, a coruscation, intermittently revealing the upper class of England in a harsh bizarre light...

The plot is one of those Gilbertian absurdities of lost infants and recovered brothers which can only be thought of to be laughed at. Yet the dialogue which sustains the plot, or is sustained by it, is an unbroken stream of comment on all the themes of life... Wildean 'comment' is a pseudo-irresponsible jabbing at all the great problems... Flippancies repeated, developed, and, so to say, elaborated almost into a system amount to something in the end — and thereby cease to be flippant. What begins as a prank ends as a criticism of life. What begins as intellectual high-kicking ends as intellectual sharp-hooting

Oscar Wilde's procedure... He has no serious plot, no credible characters. His witticisms are not comic, but serious relief. They are in ironic counterpoint with the absurdities of the action. This counterpoint is Wilde's method. It is what gives him his particular voice and triumph... The counterpoint or irony of Wilde's play expresses itself theatrically in contrast between the elegance and *savoir-faire* of the actors and the absurdity of what they actually do...The contrast between smooth, assured appearances and inner emptiness is, moreover, nothing more or less than a fact of sociology and history. Wilde knew his England."

— Eric Bentley, The Playwright As Thinker

Alec Wilder (1907-1980)

Alec Wilder was born Alexander Lafayette Chew Wilder, in Rochester, New York, on February 16, 1907. He studied briefly at the Eastman School of Music, but as a composer was largely self-taught. As a young man he moved to New York City and made the Algonquin Hotel — that remarkable enclave of American literati and artistic intelligentsia — his permanent home, although he travelled widely and often.

Mitch Miller and Frank Sinatra were initially responsible for getting Wilder's music to the public. It was Miller who organized the historic recordings of Wilder's octets beginning in 1939. Combining elements of classical chamber music, popular melodies, and a jazz rhythm section, the octets became popular and eventually legendary — through these recordings. Wilder wrote over twenty octets, giving them whimsical titles such as "Neurotic Goldfish," "The Amorous Poltergeist," and "Sea Fugue, Mama." It is a relative rarity for a composer to enjoy a close musical kinship with classical musicians, jazz musicians, and popular singers. Wilder was such a composer, endearing himself to a relatively small but very loyal coterie of performers, and successfully appealing to their diverse styles and conceptions.

Alec Wilder's music is a unique blend of American musical traditions — among them jazz and the American popular song — and basic "classical" European forms and techniques. As such it fiercely resists all labeling. Although it often pained Alec that his music was not more widely accepted by either jazz or classical performers, undeterred he wrote a great deal of music of remarkable originality in many forms: sonatas, suites, concertos, operas, ballets, art songs, woodwind quintets, brass quintets, jazz suites — and hundreds of popular songs.

In essence, Wilder's music was so unique in its originality that it didn't fit in any of the preordained musical slots and stylistic pigeonholes. Wilder, at his best, represents a fascinating amalgam of three quite different composer-archetypes, here all rolled into one: Gershwin, Poulenc, Villa-Lôbos.

Alec Wilder wrote music because he said it was the only thing that could content his spirit. In 1983, he was posthumously inducted into the Songwriter's Hall of Fame and, in 1991, the Alec Wilder Reading Room was dedicated in the Music Library of the Eastman School of Music.

- From biography written by Gunther Schuller, Loonis McGlohon & Robert Levy

Barry Kur – guest dialect coach, is a professor and master teacher of voice in the School of Theatre Arts at Penn State University. His participation is made possible by the support of the Bucknell Association for the Arts.

Special Thanks

The Department of Theatre and Dance remains grateful for the generous and continuous support by the Bucknell Association for the Arts, which has made this and other theatre and dance events in our department's 2005-2006 artistic season possible.

We also express our gratitude to Catherine Payn, Professor of Voice in the Department of Music for coaching and working with some of the cast. Thanks also to Professor Kelly Knox for movement coaching, and support from Lois Svard, Bloomsburg Theatre Ensemble, Dale Hourlland, Iris Rifkin-Gainer, Sue Beckley, and Martha Hill.

A special note of appreciation to Bill Boswell for sharing of his expertise and passion for musical theatre with our department and students.
